BILL'S MESSAGE

Growing up in a small farming town, it seemed appropriate that the stained glass windows of the little red brick church we attended had the parable of the sower etched into them.

As I grew older, that parable took on a deeper meaning. Like many churches that were once the center of the community, ours too began to struggle in numbers. People's lives, needs, and priorities were changing, but the church's understanding of mission and ministry wasn't changing fast enough to meet those needs. And I remember people that I had known all my life being frustrated and confused as to why this was all happening. After all, they were doing the same things they did last year, and the year before that, and the year before that... well, you get the picture. All wonderful, good, well-meaning people, but like so many others, struggled to understand the meaning or intent of the very parable that decorated their sanctuary.

Sowing seeds of faith is an activity that requires us to get up and go out, not build it and wait. To walk a path, wherever it may lead, to those in need. To cast the seeds of faith through our own words of hope and encouragement and our acts of love. Trusting that where God chooses, these seeds of faith will grow, and forever change the lives of those blessed with the gift we know as faith, and together with them, yield a hundredfold.

Blessings,

Bill

COUNCIL PRESIDENT'S MESSAGE

First and foremost, I'd like to thank the members of the church council for the excellent work they have been doing this year. Some difficult decisions have been made after thoughtful and prayerful consideration and I personally appreciate their service more than they know!

While on the topic of the church council I'd like to mention that the formation of a nominating committee was brought up at our last meeting. This group would seek members who are willing to share their time and talents by serving on the council. We also discussed the formation of a stewardship committee. More discussion is needed regarding these committees and we will follow through with this in the coming months.

As many of you know, I have made several short presentations recently regarding our support of the ELCA World Hunger Campaign and other missions. Your council has struggled many times to balance the needs of our church (our annual budget) and the many requests for mission support that come to us on a regular basis. This is not an easy task since most of the causes are worthy of our support. Please consider each request prayerfully and contribute to our missions according to your means.

Thank you to all who attended Synod Assembly. This is the first year I attended and I found it to be a very moving experience. I highly recommend that any member who can possibly volunteer to represent Shepherd of the Lakes at this annual event do so at least once. Our representatives are chosen at the annual meeting held in January.

As I close, I'd like to remind you that council meetings are open to the congregation except when personnel matters are discussed and at other times, as determined by the council president. If you are interested in presenting something to the council please contact me in advance so that you can be added to the agenda. The date of the next scheduled meeting now appears in the Sunday bulletin, generally just below the list of the week's events.

Prayerfully yours, Doug Tarkowski

CIRCLE OF PRAYER

Thursday, July 27th, we will host the annual meeting of the SPP's (Secret Prayer Pals). This is where you will find out who has been praying faithfully for you every day for the past year. You will also draw a new name for whom to pray for the next year. If you have not participated in the past, please consider joining, as it is such a rewarding program! There is no cost; there is but one meeting per year. Join us at 6:30 in the Community Room. If you are so moved, please bring a dish to share.

COMMUNITY BLOOD DRIVE

Our last community blood drive was a great success! 13 usable pints were collected. Judy Thomas' name was drawn for the gas card. Special thanks to faithful cookie bakers Jan Specht, Elsie Turner, Joan Ebert, and Dee Burlingame! Our next drive here will be on October 6th.

CONCERT

SAVE THE DATE: Bret and Fisk will be performing at a concert for the community on Sunday, August 27, 2017, at 3 PM at The Sayner Pub. Shepherd will be the host for this event. Free-will offerings will be sent to Fortune Lake Lutheran Bible Camp in Crystal Falls, Michigan. A buffet and drinks will be available for a reasonable cost. Invite friends and neighbors to come and enjoy a wonderful Sunday afternoon concert! (Will be held rain or shine.)
